ILL MAN LEAPS
OUT OF WINDOW

William Wenk Falls Two
Stories to Street and Is
Badly Hurt.

WASHINGTON TIMES BUREAU,
ALEXANDRIA, VA., MAY 14.

Suffering from delirium, brought on by pneumonia, William Wenk, residing in North Alfred street, near Queen street, jumped from the second story of his house to the pavement between 4 and 5 o'clock this morning, sustaining painful injuries to his side and face. Mr. Wenk has been ill with pneumonia for a week. His family and neighbors, being aroused by the falling of his body, picked him up, and he was taken into his house by Policemen Beach and Rawlett. His injuries, while painful, are not serious.

Joseph Wells, P. M. Bradshaw, and H. Friedlander, who have been attending the meeting of the Grand Lodge of Odd Fellows of Virginia at Lynchburg, have returned home.

Announcement is made of the marriage in Washington yesterday of George Mason Smith and Miss Cora E. Heintz, both of this city. The ceremony was performed by the Rev. J. E. Irvine.

Fitzgerald Council, No. 423, Knights of Columbus, held a meeting at St. Mary's Hall last evening. Addresses were delivered by several distinguished guests. After the meeting a banquet was served at the Hotel Rammel.

Samuel Kennedy, colored, was arrested in this city yesterday as a suspicious character. While being held at the police headquarters here he made a confession to a crime which he was in a party of men who robbed the store of Hibbs & Gidding in Manassas a few nights ago. Mr. Hibbs came to this city yesterday afternoon, and Kennedy left for Manassas with him.

The funeral of Thomas E. Gorham will be held from his home in South Payne street this afternoon at 4 o'clock. The funeral will be attended by the members of Alexandria Council, No. 100, Ancient and Accepted Scottish Rite, and the Alexandria Lodge of Elks. The burial will be made in the Methodist Protestant Cemetery.

Invitations have been issued for the marriage of Miss Nora Carlyle Herbert, daughter of Col. and Mrs. Arthur Herbert, to Robert Pegram Holt. The wedding will be held at Christ Protestant Episcopal Church in this city, Wednesday, June 3, at noon.

F. L. Slaymaker, who has been delegated by Major King to raise a new military company in this city, has announced that a meeting of the members of the new company will be held at his office, in King street, next Monday evening.

COUPLE MARRIED
AT THE CAPITOL

Ceremony Performed Near the
Painting of "The Surrender
of Cornwallis."

An unusual wedding took place in the rotunda of the Capitol, near the painting of "The Surrender of Cornwallis," yesterday afternoon, when Miss Lois M. Palmer, of Goodland county, Va., and Earl E. Palmer, of the same county, were united in the high seas of matrimony. The contracting parties are second cousins. They returned to their home in the Old Dominion immediately after the ceremony. The wedding was solemnized only after Vice President Fairbanks and Speaker Cannon had been consulted and given their consent. Both congratulated the bride and bridegroom after the wedding ceremony. More than 100 visitors, who chanced to be in the rotunda at the time, witnessed the ceremony and showered the young couple with congratulations. The Rev. Harry G. Spencer officiated at the union, which was solemnized at 4 o'clock.

AN UNFORTUNATE START.

"Pooh," said Miss Oldgirl, "I was engaged when I was thirteen!"
"You've found that was a very unlucky day to begin with, haven't you?" said Little Miss Giddy.—Exchange.

WOULD CONSOLIDATE
TRACTION COMPANIES

With the statement that the residents of Handley Heights, Tenleytown, Congress Heights, and other suburbs of the District are being discriminated against because they must change cars to enter the city, while the residents of Virginia and Maryland are not put to this inconvenience, Arthur E. Randle, president of the United States Realty Company, suggests to the Commissioners the enactment of legislation consolidating the several street railways of the District.

Upon recommendation of Engineer Commissioner Morrow, Mr. Randle's communication will be forwarded to George E. Hamilton, president of the Capital Traction Company, and Gen. George H. Harrier, vice president of the Washington Railway and Electric Company, with the request that they advise the Commissioners as to their views regarding the proposed legislation.

DEMOCRATS TO MEET.

Many speakers of prominence have been invited to make addresses at the regular meeting of the District of Columbia Democratic Association to be held on the 17th floor of the Munsey building at 3 o'clock tonight. This is the last meeting prior to the primaries, and a large attendance is expected.

THE HAT.

The modern hat (with brim) can be traced back to the Roman "petasus," which seems to have been worn only when on a journey. Hats with brims were also used, though not extensively, among the ancient Greeks. It was not until after the Norman conquest that hats began to be used in England.—New York American.
